

job advertising quick info pack -
www.embody3d.com/jobs

why advertise on Embody 3D?

Embodly 3D Jobs offers unparalleled value for job advertisers. The key advantages include:

- It's completely free!!!
- It's fast to setup - no accounts necessary, just one form
- It's fast to publish (no later than 12 hours from submission)
- Target audience are designers not just everyone
- Advertisements are big and bold (no other advertising will appear on your job page)
- We will advertise your job advertisement across our network
- Our rich content draws designers onto our site and then onto your advertisement

how does it work?

To get your advertisement up and running on Embodly 3D Jobs all you have to do is fill out one form on: embodly3d.com/jobs/post-a-job/

We will then review your job submission and then post it on our jobs section.

Automatically your advertisement will be distributed through our social networks and partners.

You will then receive job applications to your nominated email address that you filled out in the form.

Once the position has been filled please send an email to info@embodly3d.com or go to the contact page: embodly3d.com/contact
